

Gold Coast Blaze

Perimeter Signage

Location:

Gold Coast Convention Centre, QLD

Brief:

Design, supply and install an eye catching, full colour, perimeter advertising sign for use at all 2012 home games with the flexibility to relocate or store as required.

Solution:

- RGB 10mm pitch, SMD, 16640mm x 800mm perimeter LED screen
- 1664 x 80 pixels
- 'Black' face LED's for extremely high contrast
- Greater than 2000nit brightness
- Lightweight (50Kg per m2) cabinet design
- Self-supporting and locking mechanism for hanging

The Blaze have chosen LED-Signs' rental option. These high quality perimeter signs are available for rental or purchase from LED-Signs and come in a variety of size configurations.
