

## Sydney Kings

### Custom Designed Basketball Scoreboard & Video Screens

**Location:**

Entertainment Centre, Sydney, NSW

**Brief:**

Custom design and install a basketball scoreboard that includes software & control systems, scoring bench, shot clocks and live video replay screens as well as the ability to relocate in off season.

**Solution:**

- Four 3.7m x 2.3m, RGB, 10mm pitch LED replay screens
- Four 3.7m x 1m scoreboard sections
- Two cubed shot clock systems
- Two slave scoreboards
- Custom designed score bench and control system

**LED-Signs in World Title Action**

Every minute of the Danny Green and Antonio Tarver fight at the Sydney Entertainment Centre in July 2011 was broadcast to the enthusiastic live audience on the Sydney Kings scoreboard. The LED-Signs' video screen displayed live action as well as instant replays.
