

University of Queensland Full Colour Graphic Display

Location:

University of Queensland, Brisbane, QLD

Brief:

Supply and install an eye catching, large, full colour LED display that can be easily updated to display text, images and detailed graphics.

Solution:

- Full colour (RGB) outdoor LED screen
 - 2.4 by 1.6 metre
 - 10mm pitch
 - Graphic display
- Communication and content management software
- Front service access

LED-Signs worked with the CV Services Group, Queensland on this project.
