

### Central Institute of Technology, WA Custom Designed Message Sign

#### Location:

Northbridge, Perth, WA

#### Brief:

Custom design, supply and install a series of scrolling message signs that will form part of an architectural feature integrating a pole that flows through the building.

#### Solution:

- 2 outdoor, 10mm pitch, 3m long, single colour LED displays
- 1 indoor, 10mm pitch, 2.2m long, single colour LED display
- Custom design to fit within 400mm diameter pole
- 288 x 16 graphic resolution
- Installation and commissioning
